

WANT TO END HOMELESSNESS IN DURHAM REGION?

LIST YOUR PROPERTIES WITH US!

Ending homelessness begins with **YOU!**

As a landlord or property manager, you have an opportunity to make a difference for those experiencing homelessness while also ensuring your business needs are met by participating in our **Opening Doors in Durham Region Program**.

Opening Doors in Durham Region connects those that are in need of housing with housing opportunities through local landlords and property managers. After tenant move-in, **Opening Doors in Durham Region** provides continued benefits and support to participating landlords and property managers. That means low-risk with the high reward of filling your properties while helping others find housing.
