A Message from Nathan

Hi firstname,

What an exciting time for North House!

The grand opening of the North House Market Pantry marks an important milestone for our organization and the community we serve. More than just a place to access groceries, the Market Pantry was created to offer a welcoming, barrier-free space where individuals and families can make choices that work for them, with dignity and respect.

A project like this doesn't happen alone. We are incredibly grateful to the donors, sponsors, volunteers and community partners whose generosity, encouragement and support helped bring this vision to life. Your commitment to our community makes a meaningful difference in the lives of the people we serve.

As you read through the first edition of The Welcome Mat, we hope you'll get a glimpse of the work happening at North House, the people behind it and the many ways our community continues to come together to support one another.

Thank you for being part of the North House community. We look forward to sharing more with you!

Nathan Gardner
Executive Director

Market Pantry Grand Opening

We had an amazing time celebrating the grand opening of the North House Market Pantry in September! We couldn't have done it without the generous support of Elexicon Energy and the incredible work of everyone at Bennett Design Associates and Arris Construction Group.

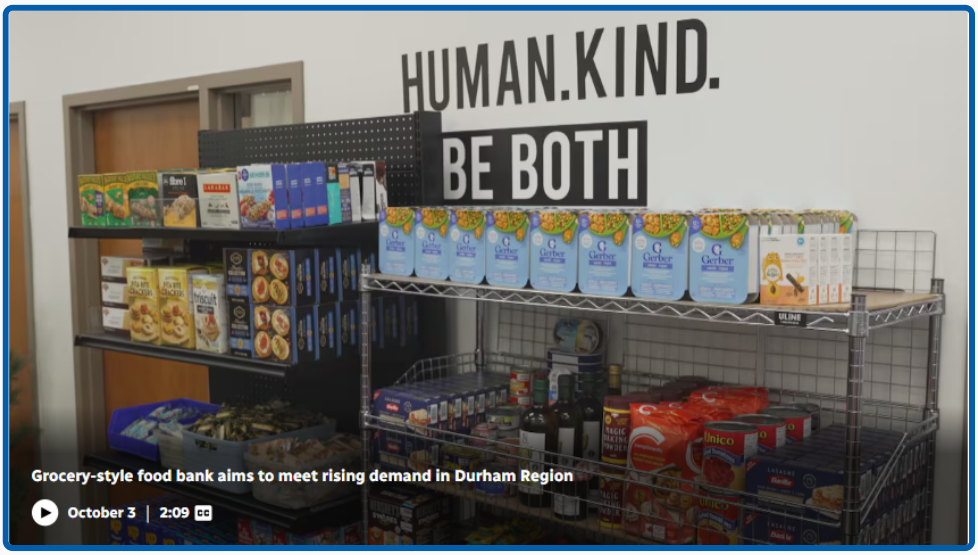

Our first month of the North House Market Pantry has been an exciting one! Since opening our doors, we've been thrilled to see the space come to life and begin serving members of our community.

So far we've had 50 visits, serving 39 individuals! This is just the beginning, and we're looking forward to seeing the Market Pantry continue to grow and make a difference in North Durham.

CMHA Durham Award Nomination

We're very proud that our Housing Retention Caseworker, Andrea, was nominated by a community member for the Canadian Mental Health Association Durham's Community Impact and Mental Health award!

This nomination is a wonderful recognition of Andrea and our entire team's hard work, dedication and the positive impact they make in our community.

Giving Tuesday

This Giving Tuesday is December 1 and we're inviting our community to make a lasting difference with North House by becoming a monthly donor.

While one-time donations provide important support, monthly gifts help us plan ahead, respond to ongoing needs and provide consistent support to individuals and families experiencing housing instability in north Durham.

By giving monthly, you're helping ensure that support is there not just today, but throughout the year.
